Roscommon Golf Club wishes to acknowledge and express its gratitude for the generous contribution of all our sponsors who make this fixture list possible.

Thanks to all our members for supporting our weekly and fundraising competitions. We look forward to your continued support and we ask that in 2017 you in-turn support our sponsors.

Please actively encourage new members to join our club and persuade societies and groups to use our excellent facilities.

Good luck to all our teams who represent the club and may they be rewarded with success.

We wish everyone enjoyable golf in 2017

Competitions: when entering a competition you must enter your name in the competition book, pay fee and swipe your card and swipe again when returning your score. All competitors must return Score Cards. Members must report scores that break S.S on any course. All prizewinning scores in partnership golf must be reported for handicap evaluation. Timesheets must be used properly at all times. Timesheets can be accessed through the club website. Notice of presentation of prizes will be posted in the clubhouse and prize winners must attend. Failure to attend or be represented may result in forfeiture of your prize.

Online Booking

The introduction of online booking in 2016 has been generally accepted as a tremendous advance on the old system of timesheets on notice boards. It enables members and visitors to book their time from the comfort of their home. We would urge any members who have not registered to do so this year using their GUI or ILGU number. Please note that those who book their tee time online have priority on the tee.
