Roscommon Golf Club wish to acknowledge with sincere thanks the continued support of our generous sponsors who make this fixture list booklet possible.

We ask all our members to support our many generous sponsors who continue to support us throughout the golfing year.

We look forward to a healthy participation by members in club competitions, please also encourage new members, particularly lapsed members who may be considering rejoining, to avail of the clubs facilities.

We extend a warm welcome to all societies and green fee golfers to Roscommon Golf Club and, finally, wish good luck to all our teams representing the club during 2020.

All Members

Competitions: when entering a competition you must enter your name in the competition book, pay fee and swipe your card and swipe again when returning your score. All competitors must return Score Cards. Members must report scores that break S.S on any course. All prizewinning scores in partnership golf must be reported for handicap evaluation. Timesheets must be used properly at all times. Timesheets can be accessed through the club website. Notice of presentation of prizes will be posted in the clubhouse and prize winners must attend. Failure to attend or be represented may result in forfeiture of your prize.

Paula Connaughton

Honorary Secretary

Online Booking

The introduction of online booking in 2016 has been generally accepted as a tremendous advance on the old system of timesheets on notice boards. It enables members and visitors to book their time from the comfort of their home. We would urge any members who have not registered to do so this year using their GUI or ILGU number. Please note that those who book their tee time online have priority on the tee.
